No.

Dated 5th March 1902

SIR,

With reference to the Government Proceedings No. 12763-76/L.B.P. 1421 dated 3rd February 1902, directing the discontinuance of the special allowances granted to the Medical Officers except in the case of those attached to the special Plague Hospitals at Bangalore and Mysore, I have the honor to bring to the notice of Government that the Plague Hospital at Oorigum on the Kolar Gold Fields also falls under the same exception as Bangalore and Mysore Hospitals and consequently makes the Medical Officer in charge of that Hospital eligible for a similar allowance.

The duties of the Superintendent of Oorigum Hospital are not only of a very irksome and laborious nature but is also attended with no little risk.

Although the duties of the Medical Officers at these three place are of the same nature, I consider that his case is more deserving of consideration than those in charge of Bangalore and Mysore Plague Hospitals on account of his living on the Fields, where foodstuffs and lodging is much costlier than at Bangalore City and Mysore and accordingly recommend ~~that~~ the grant of an allowance of Rs.50/- per mensem which he is allowed

allowed to all his predecessors.

I have the honor to be,

Sir,

Your most obedient servant,

Lt.-Colonel I.M.S.,

Senior Surgeon and Sanitary Commissioner

General & Revenue *Dept.*

Sir,

Adverting to Government Proceedings No. 14489-90 / R.13(P) 702 dated 31st March last sanctioning from Plague funds an allowance of Rs per mensem to the Sub Assistant Surgeon in charge of the Plague Hospital at Oorgaum, I have the honor to state that the date from which the allowance is to be disbursed is not given therein and it is usual for this office in the absence of such information to presume the

date of sanction or from date on which the Medical Officer begins to do plague duty whichever is later. But the Senior Surgeon when questioned by this office reports, in his No. 1144/P dated 23rd Ultimo, that Mr. A. Seshagiri Rao, Sub Assistant Surgeon, has been in charge of the said Hospital from 12th December 1902 or about 3½ months earlier.

I beg therefore that you will be so good as to obtain early orders of Government as to the date from which the allowance sanctioned is to have effect to enable me to issue necessary instructions to the Treasurer.

I have the honour to be,
Sir,
Your most obedient servant
